

Everyone's talking about Clarks Summit Senior Living!

“

What a difference a year has made for my dear friend Eleanor—her whole life has changed for the better.

I am amazed with the entire staff, from the concierge, to the driver, to the wonderful nurse, dining, and housekeeping team. Everyone goes out of their way to make her feel like part of the family. Your community is by far the best, and I'll continue to recommend it!”

—CARL L. SNYDER, JR.

Just across from the Scranton Country Club is the community Eleanor and her friends love to call home. Come see why life in the Abingtons is even better at Clarks Summit Senior Living.
