Happy Birthday, Five Star Senior Living!

The month of July marked Five Star Senior Living's 10th anniversary! During the month of August we will celebrate our 10th anniversary so our residents and families can participate as well. Join us on August 27th at 3:00 as we celebrate together during our monthly birthday party. This month will be special because Five Star will share its "birthday" with our extended family here at Dominion Village.

Five Star Senior Living has grown over the last 10 years to include over 240 properties across the United States, and we're lucky to have 10 of them right here in Virginia! Dominion Village is happy to share its rich heritage as part of the Five Star family with each of you. During this time we encourage our families and residents to share memories, pictures, and stories of their time with us here at Dominion Village over the years.

- ★ **We Mind the Business**
- ★ **We Work to Be Our Best**
- ★ **We Listen - Then Act Decisively**
- ★ **We Put People First**
- ★ **We Act with Integrity**

These values are at the heart of every Five Star Senior Living Community, and Dominion Village takes great pride in upholding these values every day with every person. It is with great pleasure that we celebrate this special occasion with all of you. What better way to celebrate your anniversary than with your family and friends!

Sock Hop

"Shake, Rattle, and Roll"

Mark your calendars and join us on Tuesday, August 31st from 4 pm to 6 pm as we celebrate Elvis with the help of Elvis Impersonator Randy Roe. Bop back to the 50s with poodle skirts, saddle shoes, and petal pushers. Bring memories of the Elvis Craze and enjoy an evening of fun, music, food, and dancing!

Relive those "Happy Days" with a 50s themed diner dinner with cheeseburgers, French fries, and root beer floats. RSVPs for this event are encouraged, but walk-ins are welcomed. Please RSVP by August 24th to 757-258-3444.

Living Long and Prosper

On August 5, join Trekkies from around the world as they boldly go to Las Vegas for the Star Trek Convention. *Star Trek's* creator, Gene Roddenberry, originally pitched his television series in 1966 as "Horatio Horn blower in space." Today, the characters of Captain Kirk and Spock are icons of a multi-billion dollar franchise. As the number one cult TV show of all time, *Star Trek* has amassed millions of devoted followers worldwide, and the convention is a major event. Test your *Star Trek* knowledge with this quiz:

1. What was the name of the space ship made famous on *Star Trek*?
2. What alien race was the crew's science officer, Mr. Spock?
3. What is the name of the school where space pilots such as Capt. Kirk received their training?
4. Finish the *Star Trek* tagline: "To boldly go..."

Answers: 1. USS Enterprise; 2. Vulcan; 3. Starfleet Academy; 4. "...where no man has gone before."

Upcoming Fundraisers

The month of August marks our headlong effort to fundraise for the Alzheimer's Association Memory Walk. This year's walk for Williamsburg will be held on November 6th, and our team has a goal of 8 individual walkers (last year we had 6) and a goal of \$1,000. Last year we raised almost \$1500 with a goal of \$600, so I would love to see this goal shattered too! If you would like to walk as a part of the team please see me so I can give you the information to register online or by paper. However, cash donations are always accepted towards this goal! If you wish to write a check, please make it out to the Alzheimer's Association Memory Walk and put Dominion Villagers in the memo line so it can be contributed appropriately.

Any member of the Management team has raffle tickets available for the 2010 Honda Fit that has been donated by Peninsula Honda to the Memory Walk cause. Tickets are \$5.00 each, and the drawing is held on October 30th at Peninsula Honda. You do not need to be present to win! The car will be here during our Backyard BBQ fundraiser in September.

Speaking of which, we are looking for donations to help defray the cost of the BBQ so we can maximize our donation from the event. If any of you have contacts where we can have meats, beverages, or cash donations made to us please let me know. I have a donation request letter already prepared that I can share with you. Mark your calendars for Saturday, September 11th to attend the BBQ. If any of you would like to donate some time to help man the event please sign up in the business office!

We appreciate your continued support in our fundraising efforts to help contribute to the vision and mission of the Alzheimer's Association as we "Walk to End Alzheimer's"!

Sincerely,
Jessica Szahowski
 Business Office Manager

Family Night Festivities

Please join us Wednesday August 11th from 6:00pm-7:00pm for family night. In celebration of Elvis week we will have music and Elvis trivia.

Boop-Oop-a-Doop

Betty Boop made her cartoon debut on August 9, 1930. The creation of animator Grim Natwick, Betty Boop was originally a French poodle. She didn't become fully human until 1932, when her poodle ears became hoop earrings and her voice adopted her trademark Brooklyn accent.

Although she was a star of the Depression Era, she embodied the carefree flapper girls of the Jazz Age. She earned an adult audience due to her cute and flirtatious personality. Oftentimes, the teenage Betty Boop was depicted defying her parents. She was a modern young woman who got herself in and out of trouble.

Betty Boop's popularity still continues today. She has made cameo appearances in modern newspaper cartoon strips as well as animated films. A Betty Boop musical is even in development on Broadway.
