LUXURY RETIREMENT LIVING IN CORAL SPRINGS

Park Summit Celebrates National Assisted Living Week September 12th-18th

National Assisted Living Week[®] provides a unique opportunity for residents, their loved ones, staff, volunteers and the surrounding communities to recognize the role of assisted living in caring for America's seniors and individuals with disabilities. The annual observance encourages assisted living communities such as Park Summit to celebrate the individuals they serve, as well as to help educate members of the public about this distinctive aspect of long-term care.

This year's theme is "Compassion, Community, Caring." We'll be announcing some special activities during the week of September 12th through the 18th as we commemorate this special time of year.

Take part in this unique opportunity for residents, their loved ones, staff and volunteers to celebrate the individuals who live and work in assisted living.
